

Project discussions on Wednesday

- RNA-seq and epigenetics with Agata and Mihaela (Odén)
- Re-sequencing with Malin and Adam (Dalton)
- Experimental / Sequencing with Olga (Fick)

Feel free to move around between the rooms!

Project discussions on Wednesday

Please type your name under the topic you select

Experimental

RNA-seq &
Epigenetics

Re-sequencing

I would like to discuss another topic, please specify!
